FOR FURTHER INFORMATION CONTACT: Vanessa R. Engle, Realty Use Group, 202-452-7776.

SUPPLEMENTARY INFORMATION: In accordance with 5 CFR 1320.12(a), the BLM is required to provide 60-day notice in the Federal Register concerning a collection of information contained in published current rules to solicit comments on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the

proposed collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

The Color-of-Title Act of December 22, 1928, as amended (43 U.S.C. 1068, 1068a, 1068b), provides for the issuance of a land patent (deed) to eligible individuals, groups, or corporations who believe they have a valid claim to public lands under color-of-title. The information collected on Color-of-Title Tax Levy and Payment Record Form 2540-3, is required by Departmental regulations 43 CFR 2541.2 for all applicants who initiate a Class 2 claim. These regulations were adopted on June 13, 1970 (35 FR 9592).

A claim of Class 2 is one which has been held in good faith and in peaceful, adverse possession by a claimant, his ancestors, or grantors, under claim or color of title for the period commencing not later than January 1, 1901, to the date of application, during which time they have paid taxes levied on the land by State and local governmental units.

Any individual seeking to acquire a title to public land under the color-of-title authority must make application and provide information essential to compliance with law, regulations, and procedures. The evidence needed to determine property rights through color-of-title regulations for a Class 2 claim is proof of payment of taxes levied on the property claimed by the applicant. Without this proof of payment, the BLM cannot finalize the claim.

Form 2540-3 may be submitted in person or by mail to the proper BLM office. The following is an explanation of specific items of information requested on Color-of-Title Tax Levy and Payment Record Form 2540-3, pursuant to 43 CFR 2541.2(4)(c)(2): (1) the name of applicant is needed to identify the person/entity filing a claim; (2) the legal description of the claimed land must be listed as recorded in public records of the county concerned; (3) tax payment information including the certification of the data on tax year, payor of the tax, and the amount of tax is necessary information to legally qualify the applicant to receive a property right from the Federal government; and (4) certification from the public official administering the county tax records or a certified

abstracter must be provided to determine the validity of the application.

Response is mandatory if the color-of-title claimant wishes to obtain the benefits of the statute and gain clear title to his claimed property. Failure to provide the necessary information results in the rejection of the color-of-title application. If the information on Color-of-Title Tax Levy and Payment Record Form 2540-3 was not collected, BLM would be unable to carry out the mandate of the Color-of-Title Act and the responsibilities for implementing 43 CFR 2540 and 2541. Form 2540-3 requires only the minimal information necessary to determine claim validity.

Based on its experience processing Color-of-Title applications, BLM estimates the public reporting burden for completing Color-of-Title Tax Levy and Payment Record Form 2540-3 is one hour. BLM estimates that approximately 37 Color-of-Title applications will be filed annually for a total annual burden of 37 hours.

Any interested member of the public may request and obtain, without charge, a copy of Color-of-Title Tax Levy and Payment Form 2540-3 by contacting any BLM Office or the person identified under **FOR FURTHER INFORMATION**

CONTACT.

BLM will summarize all responses to this notice and include them in the request for Office of Management and Budget approval. All comments will also become part of the public record.

Dated: March 21, 1996.

Chief, Regulatory Management Team.
